

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

ALTERNATIVE RATE FILING ADJUSTMENT FOR) CASE NO.
DELAPLAIN DISPOSAL COMPANY) 2010-00349

ORDER

Delaplain Disposal Company ("Delaplain") has moved for an extension of time in which to respond to Commission Staff's Second Information Request. In support of its motion, Delaplain states that its administrative/accounting staff is extremely busy preparing Delaplain's financial records for the filing of its income tax returns and its annual report. In addition to these duties, the administrative/accounting staff provides support to other entities that are maintained in the same office. In order to allow its staff ample time to fulfill these various duties and to prepare adequate responses to Commission Staff's Second Information Request, Delaplain is requesting an additional 36 days, from February 7, 2011 up to and including March 15, 2011, to file its response.

Based upon our review of Commission Staff's Request, we find the request neither overly burdensome nor in conflict with the utility's efforts to gather its annual financial and statistical reports. It appears that most of the information Commission Staff has requested would have been required by the utility's accountant when he prepared the 2009 financial statements. Furthermore, Delaplain is not required to submit its annual report to the Commission until March 31, 2011 or to file its 2010 federal or state income tax returns until March 15, 2011.

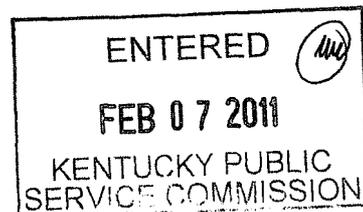

Accordingly, we find that Delaplain's motion for a 36-day extension should be denied, but that the utility should be permitted seven additional days to assemble the requested documents and information.

IT IS THEREFORE ORDERED that:

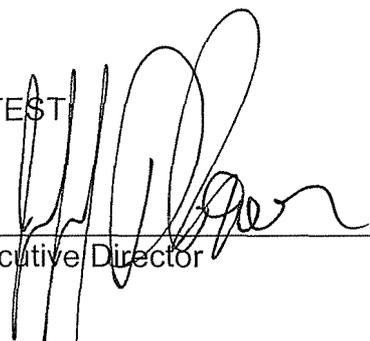

1. Delaplain's motion for an additional 36 days to respond to Commission Staff's Second Information Request is denied.

2. Delaplain is granted an additional seven days in which to respond to Commission Staff's Second Information Request and shall file the required information with the Commission, with a copy to all parties of record, no later than February 14, 2011.

By the Commission
